

# COURSE MAP

Course

The bike and run portion will follow the same route. The bike portion will consist of doing some laps around the Outdoor Sports Complex parking lot.

The run portion will have different turn around points for the age groups. The 11-12 year olds are running 1 lap around the parking lot before heading back to the finish line.

The entire course will have volunteers to ensure the participants are going in the right direction. Volunteers will also be at key turn around points to direct traffic.

The bike laps will be tracked by placing big stickers on the back of participants.
